

The logo for 2tone Creative Photography is enclosed in a double-line rectangular border. It features the word "2tone" in a large, stylized font where the "2" is a thick, curved shape. Below it, the word "2tone" is repeated in a smaller, lighter font. Underneath that, the words "Creative Photography" are written in a simple, sans-serif font.

The Wedding Pages fayres have been brilliant for us. There have always been a steady number of potential clients through the door, and we have always had interest and bookings either on the day or shortly after.

Also the quality of exhibitors is of a high standard and varied enough for the clients to get a good overall view of what you might need at a wedding...

Moreover, the Radisson and Gosforth park fayres have helped us fill our bookings for 2009 already.

Thankyou,

Nigel and Christina Davison.
